Kitana did what?

by MiaQc

Summary

Kitana does a Fatality on Tulista. That's the plot. ...Yup.

- A translation of Kitana a fait quoi? by MiaQc

"Wait!" Shouts Alana, a 14-year-old teenager. "Don't kill her!"

But it's no use. The woman in blue throws her steel fans. Spinning on themselves like saw blades, they form a bluish vortex that levitates Tulista into the air. One is below Tulista, the other is above her. The long brown-haired woman screams as the fans rip her to shreds as they draw closer together, creating a blood shower that stains the floor. Nothing remains of Alana's tutor and guardian. The steel fans, covered in blood, return to the woman in blue hands.

"Kitana wins." Says a deep voice that seems to come from nowhere. "Fatality!"

"W...w…why?" Alana said in tears. "So much violence... what era am I in? The Time Capsule is broken. I'll never be able to go home, in the year 3000!"
